

MODERN NORTHERN GERMAN

KAUFMANNSLADEN

DEAR GUESTS,

Thank you for joining us and letting us take care of your culinary well-being.

While choosing our produce we pay special attention to quality and freshness. Luckily, we can source most of our ingredients from Schleswig Holstein. Close contact with our producers, short transportation routes and the fresh, high-quality regional produce all contribute to an amazing taste.

We underline our efforts to buy regional, high-quality food through our „FEINHEIMISCH“ membership.

We hope you enjoy your stay with us and have a great meal.

Your Lessau Family
& the “Kieler Kaufmann” team
