DEAR GUESTS,

Thank you for joining us and letting us take care of your culinary well-being.
While choosing our products we pay special attention to quality and freshness. Luckily, we can source most of our ingredients from Schleswig Holstein. Close contact with our producers, short transportation routes and the fresh, high-quality regional produce all contribute to an amazing taste.
We underline our efforts to buy regional, high-quality food through our “FEINHEIMISCH” membership.

Introducing:
Our supplier & partner

Located in Oster-Ohrstedt, in the heart of North Frisia, Backensholz Farm has been run by the Metzger-Petersen family for four generations. Since 1989, the family farm has followed the strict Bioland standards, combining organic farming with handcrafted cheese specialties and genuine North German hospitality.

The cows are born and raised on the farm with great care. Their feed comes primarily from the farm's own fields and forms the basis for the high-quality milk. From this milk, distinctive cheeses are created, produced with experience, skill and great attention to detail.

Today, Backensholz Farm is more than agriculture alone. Alongside the farming operation, the farm includes a farm shop, a restaurant and a range of activities for families.

Backensholz Farm stands for regional organic quality with heart.
